

Welcome to the Second Annual MN Prepper Expo 2024

Hello! My name is Troy McKinley, the owner of Survival Resources LLC. I have always wanted to start a community in these uncertain times, of like-minded people who want to take care of their families when the unexpected happens. With a lot of work, we made it happen. After having great success of our first MN Prepper Expo, we are having the second annual MN Prepper Expo '24! And we want YOU to be a part of it. We are going to be at the Morrison

County Fairgrounds once again June 28 – June 30th, 2024. Our MN expo last year brought a thousand people over the three days, this year we are expecting two to three times more this year that will be seeking the classes, products and the expertise you have to offer.

Last year we enjoyed Vendors and Speakers from Minnesota, Arizona, Colorado, California and from all over the country. Having First Aid Kits, Essential Oils, Knives, Freeze dried foods, Food vendors with Breakfast in the morning, Mini donuts, Pizza, Burgers and the Best Lemonade till closing. Tickets were bought online at www.mnprepperexpo.com with a raffle giveaway that was awarded to the winner at the expo. Tickets were and will also be available at the gate. Campers and vendors enjoyed having water and electricity hook ups, campfire ring with firewood supplied, bathrooms and showers and visiting/socializing with other campers over the three days. Hotels in the area were and will be available too! It was a great time had by all.

So how are we advertising our Expo this year? We are of course, like everything else, advertising on all social media; Facebook, Twitter, and anything else that we can find. Radio advertising, along with making more podcasts like the one we did with The Small-Town Tourist. We have placed adds in small town newspapers, I drove around all corners of Minnesota posting up flyers on any cork board that I could find, and I will do it again. As well as posting signs on more major highways, so keep watch!

We invite you to reserve your booth today for the MN Prepper Expo '24. Our location is the Morrison County Fairgrounds in Little Falls Minnesota. We have over 30,000 square feet of inside space to fill and plenty of fenced outdoor space for vendors and vast area for camping and parking. Our Vendor indoor space for a 10X10 is \$150.00 per day/ \$1.50 per sq. ft, which includes electric, table and chairs. Indoor space may be adjusted and negotiated to your needs. Vendor space outdoors is \$400 for the entire three-day weekend, space size within reason. Food Vendors outdoors is \$400 for the entire three-day weekend. First come first served on booth spaces. You can call Troy 612-275-4492 anytime with questions. Contracts are due in by April 15th, 2024. If you are receiving this after April 15th, 2024, and would like to be a vendor, please call and speak to Troy.
